

Dear Friend of the Bronx Science Community,

The date of The Bronx High School of Science Parent's Association annual auction is rapidly approaching! On **Friday, May 20, 2016** we will hold our **2016 Spring Gala and Auction** at the wonderful *Landmark on the Park* on the Upper West Side. More than 400 attendees will enjoy cocktails and dinner, and participate in a silent and live auction. In addition, we will host an online auction leading up to the Gala. This year, our goal is to raise at least \$100,000 that will be used to fund everything from technology in our classrooms and materials in our labs to expenses for extra-curricular activities and uniforms for team sports.

The Bronx High School of Science **ranks among the top high schools** in the country with a total of **8 Nobel Laureates**, more than any other high school in the nation! Additionally, Bronx Science is among the top five schools in the country to produce the most Intel Science Talent Search (previously known as The Westinghouse Science Talent Search) semifinalists and finalists. And we do all of this while continuing to serve a population that is almost 50% low income. Your support will help to keep our school at the pinnacle of secondary education.

We hope you will join us in our mission. If you would like to donate, please complete the attached donor form and mail it to the address listed, or donate online at <https://bronxhs.ejoinme.org/auction2016>. We will proudly acknowledge your company in our promotional materials as well as on our website, which is viewed by more than 3,500 families in the 5 boroughs. If you have any questions, feel free to contact us at auctiondonations@bxsciencepa.org.

Thank you for your support of Bronx Science!

Liz Bruder-Frydman, *Auction Chair*

"Education is the kindling of a flame, not the filling of a vessel." – Socrates
