

Fall/Winter 2018

Dear Friend of the Bronx Science Community,

The planning of **The Bronx High School of Science Parents' Association 2019 Annual Auction** is underway. This year, our **Best of the Boroughs Benefit** will be held on **Thursday May 16, 2019** at the Function Room at Rodeph Sholom, 7 West 83rd Street, New York, NY, and will be preceded by an online auction. We ask for your continued generous support of our school's largest and most important fundraiser. **Please donate today!** Any form of contribution, merchandise or services appropriate for auctioning is greatly appreciated.

This year, **our goal is to raise at least \$130,000** that will be used to fund everything from technology in our classrooms, materials in our labs and upgrades to the cafeteria to expenses for extra-curricular activities and uniforms for team sports. These funds are critical to offset budget cuts to public schools and to provide a comprehensive, high quality education for our **students - 50% of whom are classified as low income.**

The Bronx High School of Science ranks among the top high schools in the country with a total of eight Nobel Laureates, more than any other high school in the nation! Additionally, Bronx Science is among the top five schools in the country to produce the most Regeneron Science Talent Search (previously known as Intel and Westinghouse before that) semifinalists and finalists. Your support is essential to keeping our school at the pinnacle of secondary education.

We look forward to you joining other organizations, local merchants and individuals in our school's fundraising effort. All donors are thanked by name in our auction catalogue, online auction site (which is viewed nationwide) and on the Bronx Science Parents' Association website, which is viewed by **over 3,000 families in the five boroughs.** It is a great way to advertise your business. We encourage our families to patronize supporting companies and establishments.

There are two ways to donate. Use the link below to donate online or you can complete the 2019 Donation Form attached to this letter. All contributions are tax deductible as allowable by law. Donations are due in by Thursday, May 3, 2019. If you have any questions, feel free to contact us at auctiondonations@bxsciencepa.org.

Thank you for your generous support of Bronx Science.

Regards,

Bronx Science Auction Committee
